

# How to: Guide

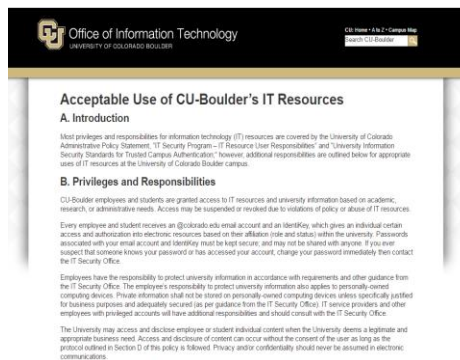

## Connecting to Boulder UCB WiFi at CU South Denver

1. View the Available wireless networks from your device and locate **"UCB Wireless."**

2. Click on **"UCB Wireless,"** and then click on **"Connect."** You will be redirected to an authentication page when an Internet browser is opened. Click on the **"Click Here to Read Our Acceptable Use Policy"** to review the policies on using the UCB Wireless. Next, enter your Indentikey username and password then check the box to accept the acceptable use policy.

A screenshot of the University of Colorado Boulder authentication page. The page has a black header with the CU logo and 'University of Colorado Boulder'. Below the header, it says 'Please Authenticate'. There is a link: 'Click Here To Read Our Acceptable Use Policy'. Below that is a form with fields for 'Identikey Username:' and 'Password:'. Below the password field is a checkbox labeled 'I accept the acceptable use policy.' with a red arrow pointing to it. A 'Submit' button is at the bottom of the form. At the bottom of the page, there is a footer with contact information for the IT Service Center.

**Note** If the browser does not automatically open, you will need to open an Internet browser on your device and try to go to [www.ucdenver.edu](http://www.ucdenver.edu). This will redirect you to the authentication page.

3. After clicking on **"Submit,"** you will be connected to the UCB Wireless.
