STUDENT - SOUTH DENVER

Welcome to the University of Colorado South Denver ID Badge Portal. It is important that all new students, staff, faculty, and volunteers get their ID badges when first starting at CU South Denver.

We recommend using the option to upload your picture on the form. We can use that to print your ID badge and ID such as a Identification Card or Driver's License to pick up your CU South Denver ID Badge at the Welcome Desk.

Please select the appropriate form that applies to you below:
